# NEWSLETTER

**ISSUE NO 4 | September 2024 | Quarterly Edition**

**To: All Bluebell Community Centre Users,  
Group Leaders & our Neighbours**

~~~~~

Welcome to this year's 4<sup>th</sup> edition newsletter for the Bluebell Community Centre (B.C.C.). I send you all warm greetings and hope you're basking in what's left of the finer weather for this year. Summer may have been a complete washout, but take heart, at least the children are all back at school!

Much has been going on at the centre in the last 3 months. We had successful events, such as birthday parties, cultural celebrations and a community funfair event, which was hilariously fun! We also have a new bingo group which holds at the centre every Wednesday. We really hope that one day, if you haven't done so already, you'll pop in and be part of our weekly events and growing community family.

The "Riddle Me Bluebell" quiz was buzzing! Many of you sent in your answers in record time to the email address given! Most got the answer correct, but there was one overall winner who submitted first and that was: **Karolina, from Dogsthorpe.**

For this next quarter, we have a lot planned as usual. There will be **surgeries** conducted by our Local Community Policeman, Martin and Peterborough Council's Councillor, Asim Mahmood. We also have our last **Car Boot Sale** for the year which will be on: **Saturday, 02<sup>nd</sup> November.** Come and grab a bargain!

Don't forget to visit our website to book all your event needs and see our latest information at: [www.bluebellcommunitycentre.com](http://www.bluebellcommunitycentre.com).

**Until next time, stay safe.**

**Smith**

Chairperson – The Bluebell Community Centre.
