*Until next time, keep safe!*

Chairpersons @ the B.C.C.**

“

*I would like to remind all residents to be careful to secure their properties during these warmer and lighter months.*

*In the past, we have had a number of burglaries reported to us due to residents leaving their back doors and windows open during the day. If you do open windows and doors for fresh air, remember to close them if you go out, or at night.*

*Also, we've had a number of reports regarding youths using motorbikes around the area causing anti-social behaviour. If you see anything like this, please report this immediately. **All information is confidential.** This will help us stop these offenders and prevent any unnecessary accidents.*
